Mr. Murphy:

Currently, there is no Petition pending in U.S. Serial No.                      nor is there a request to present claims expiring October 22, 1993.

However, you do have a Petition pending before me in U.S. Serial No. 580,246 where there is a requirement to present claims expiring October 22, 1993. If this is the application to which your FAX of October 18, 1993 is directed, this Office does not intend to grant a stay or an extension pending the consideration and decision of the Petition.
